Aptitude Classes
In keeping view of future campus drives and to accelerate preparations of aptitude test, aptitude classes were conducted for final year Engineering students by Ms. Rajbeer Kaur. It focused on the preparation of different subjects including Reasoning, English, and Mathematics.

Shortcut Techniques through Vedic Mathematics Tool was also taught to students to increase their speed in Competitive exams.

Education Loan Mela
The local branch of Panipat Punjab National Bank organized an education loan mela for APIIT students and students of other institutions in Panipat. Various public and private banks participated in the loan mela. The Manager from PNB shared the benefits of different schemes of different banks to support the education of students. The manager also addressed the queries of students and parents regarding default of loans. The students and parents actively participated in the interactions and students and parents were benefitted by the executives of APIIT and PNB staff members on "Steps to be taken to bring students into mainstream and role of ambassadors". After that, a token of appreciation was presented by the Honorable Director Prof. (Dr.) R.K. Choudhary to brand ambassador students. Students were also distributed their ambassador I-Card during the session.

Vigilance Awareness Week
Panel discussion was held on 27th Oct 2015 at APIIT SD India on the "Participation of Youth in the Fight Against Corruption". The panel was organized by IICP Panipat Refinery and Petrochemical Complex as a part of Vigilance Awareness Week from 26th October - 31st October 2015. All APIITANS dressed themselves as the political leaders and shared their views for India and how they plan to contribute to India's developmental plan. All in all, it was an event which not only inspired the students to be more aware about the political scenario of India, but also encouraged them to understand the role of youth in setting up a system which will be fair and true to all.

Feel-Good Get Together Party for Brand Ambassador Students
A feel-good get together party was organized on 20th November 2015 for brand ambassador students. All brand ambassador students attended the get together party. One hour interactive session was held between students and APIIT staff members on "Steps to be taken to bring students into mainstream and role of ambassadors". After that, a token of appreciation was presented by the Honorable Director Prof. (Dr.) R.K. Choudhary to brand ambassador students. Students were also distributed their ambassador I-Card during the session.

Engineers’ Technical League - 2015
Panel discussion was held on 27th Oct 2015 at APIIT SD India on the “Participation of Youth in the Fight Against Corruption”. The panel was organized by IICP Panipat Refinery and Petrochemical Complex as a part of Vigilance Awareness Week from 26th October - 31st October 2015. All APIITANS dressed themselves as the political leaders and shared their views for India and how they plan to contribute to India's developmental plan. All in all, it was an event which not only inspired the students to be more aware about the political scenario of India, but also encouraged them to understand the role of youth in setting up a system which will be fair and true to all.

Engineers’ Technical League was held on 15th September 2015 on the eve of Engineers’ Day celebration under the banner of IETE Student Forum-APIIT and IEEE Student Branch-APIIT.

Students were asked to register their team having five students with a mix of students from different streams (Computer Science + Mechatronics + EEE) along with a technical team name Technocrats. 28 teams/140 students registered for the event.

A virtual Cricket Stadium was created in the auditorium. In the preliminary round, the teams were qualified on the basis of performance in a technical objective test. Four teams were selected to play in the final round of Engineers’ Technical League on 19th September 2015. Selected four teams were divided into Pool A and Pool B each of two teams.

The winner teams of Pool A and Pool B played against each other in the final round. The ‘Transworkers’ team of Nalini Garhwal (PT1282247), Dixit Khurana (PT1381156), Vikas Sharma Vats (8614313), Neha Sharma (8614214), Shoma Dutta (8615124) were declared the winner of the league. The winning team was awarded with five pen drives each of 8GB.

“Make in India: Dream or Reality” Talk Show Hosted by Mr. Sunil Keswani
The students of APIIT SD India, Panipat were ecstatic on receiving a medium to display their talent and expressing their views on today’s emerging topic “Make in India: Dream or reality” through a talk show in the presence of our reputable Director Prof. (Dr.) R.K. Choudhary and a panel of eminent authors.

The host of this live talk show was a corporate trainer and also a notable orator, Mr. Sunil Keswani. This live talk show is one such initiative of APIIT where students get an opportunity to discuss over different topics and exhibit their reasoning and speaking skills at such a platform.

ICACCT-2015
9th International Conference on Advanced Computing & Communication Technologies (ICACCT-2015) sponsored by Institution of Electronics & Telecom Engineers (IETE) and Computer Society of India held successfully at Asia Pacific Institute of Information Technology, SD India, Panipat (Haryana) on 28th & 29th November 2015. ICACCT-2015 aimed to bring together research scientists, engineers, and scholar students in all areas of engineering and technology, and provided an international forum for the dissemination of original research results, new ideas and practical development experiences which concentrate on both theory and practices.

Shri Vijay Pratask, Executive Director In-charge, Panipat Refinery & Petrochemical Complex braced the occasion as a Chief Guest at this inaugural ceremony. Shri Pratask appreciated the efforts of APIIT SD India for organizing a successful International conference and further stressed that these kind of conferences will meet the objective of bringing the academia and industries together to overcome the period of recession.

The conference lead under the guidance of Prof. Lalit M Patnaik, INSA Senior Scientist and Adjunct Faculty, National Institute of Advanced Studies, IISC Campus and Honorary Professor, Indian Institute of Science, Bangalore along with reputed academicians of IIT Chennai, NIIT Mumbai, BITS Pilani Goa Campus, NIT Kurukshetra, Griffith University Australia, University of Edinburgh, APIIT University Kualalumpur in which 70 best papers were shortlisted by the committee.

Prof. (Dr.) R.K. Choudhary, Director APIIT SD India, expressed his gratitude to all academicians for making this event successful. He told that the editing of the proceedings of the 9th ICACCT Conference is being done by Prof. J.K. Mandal, Kalyani University, Prof. Nilin Auluck, IIT Ropar, and Dr. H. A. Nagarakaram, Center for Computational Biology, Hyderabad and International proceedings are being accepted by Springer Science + Business Media, Singapore, Pvt Ltd. Singapore.

Prof. Choudhary concluded that the conferences organized by APIIT SD India, on computing & Technology helps to inculcate the culture of Research & Development among the students and a revolution in Advanced Computing & Communication Technologies is certainly going to bring changes and create e-societies globally.

We congratulate the students who got shortlisted in the Campus Drive by INSIGNIA Inc. held on 29th December, 2015 at APIIT SD INDIA Panipat. Students have been asked to report company head office Noida for documentation process and Joining Letter.

We congratulate the students who got shortlisted in the Campus Drive by Academiaguru.com held on 3rd December, 2015 at APIIT SD INDIA Panipat. Selected students are Robin Bhattacharjey, Saya Mehta, Alok Gupta, Rajat Jain etc.

Xperia Technologies conducted Pool Campus Drive on 25th November 2015 at APIIT SD India. The Company shortlisted four students in the final round. Selection process was based on GD/Communication Assessment. Selected students are Jayant Kumar Gope, Nalini Garhwal, Anuranjan and Komal.

Congratulations to the students who got shortlisted in the Campus Drive by Grey-Meter Com held on 5th October, 2015 at APIIT SD INDIA Panipat. 290 students are shortlisted for Software Developer Profile and 307 students are shortlisted for Business Analyst Profile.
Convocation-2015

"Where Education Creates Opportunity"

The grand celebration of 9th convocation ceremony was held on Saturday, 28th Nov, 2015 at the APIIT SD India, Panipat. All passed out graduate and post graduate students awaiting wholeheartedly for this event participated in this ceremony and were also awarded their degrees in the presence of Dr. Neil Hart, the International Programme Advisor, Staffordshire University, U.K., who chaired the session as a chief guest on this auspicious occasion.

The ceremony began with convocation march-past lead by Prof. Neil Hart and the management of APIIT SD India. Prof. Neil congratulated all the degree holders ‘APIITIANS’ and challenged the students to take advantage of opportunities at APIIT SD India and to remember that they are the architects of their future. He also praised the students for their contribution in building up APIIT as an institute of international standard in Panipat.

Throughout the programme, the sense of pride and achievement was palpable among the students, faculty and staff of the institute. The event ended with a ray of hope and joy that is sure to inspire the students and faculty of this institute in the years ahead.

Shri Roshan Lal Mittal, General Secretary, Shri Vijay Aggarwal, Chairman, Shri Ishwar Garg, Vice-Chairman from S.D. Education Society was among the distinguished personalities and provided their presence in the conference.

Students of APIIT SD India organized a fresher’s party for their freshers. A little lilting music and the chink of ice, new faces, smiles all along, resounding laughter—yes it is party time! The very purpose of Freshers Day party is to welcome newcomers in a friendly atmosphere and avoid social evils, to encourage their creative impulses and to boost their confidence. It was a colorful occasion as freshers were dressed in their best attire. Making it one of the happiest dos, students of APIIT SD India of Engineering Department partied as they welcomed the freshers in style on 1st October 2015. Among all the spiffy youngsters, the stars of the event - Miss Fresher Anupama Mishra, and Mr. Fresher Sahil Madan was awarded for their outstanding performance in question answer round, dance and music.

The party, organized by senior batches of APIIT SD India, continued till late in the evening as the chic crowd danced to the DJ. The highlight of the event was a fashion show during which the new students walked down the ramp. Adding fun to the evening, funny-and-witty-question round and tongue twisters were also organized. The juniors surprised the gathering by setting the floor on fire with a dance show. With a multi-cuisine spread and great camaraderie, the party turned out to be a great way to break ice.
